General Instructions

Federal:

Who Must File: All issuers making an offering of securities in reliance on an exemption under Regulation D or Section 4(6), 17 CFR 230.501 et seq. or 15 U.S.C. 77d(6).

When To File: A notice must be filled no later than 15 days after the first sale of securities in the offering. A notice is deemed filed with the U.S. Securities and Exchange Commission (SEC) on the earlier of the date it is received by the SEC at the address given below or, if received at that address after the date on which it is due, on the date it was mailed by United States registered or certified mail to that address.

Where to File: U.S. Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549.

Copies Required: Five (5) copies of this notice must be filed with the SEC, one of which must be manually signed. Any copies not manually signed must be photocopies of the manually signed copy or bear typed or printed signatures.

Information Required: A new filing must contain all information requested. Amendments need only report the name of the issuer and offering, any changes thereto, the information requested in Part C, and any material changes from the information previously supplied in Parts A and B. Part E and the Appendix need not be filed with the SEC. Filing Fee: There is no federal filing fee.

State:

This notice shall be used to indicate reliance on the Uniform Limited Offering Exemption (ULOE) for sales of securities in those states that have adopted ULOE and that have adopted this form. Issuers relying on the ULOE must file a separate notice with the Securities Administrator in each state where sales are to be, or have been made. If a state requires the payment of a fee as a precondition to the claim for the exemption, a fee in the proper amount shall accompany this form. This notice shall be filed in the appropriate states in accordance with state law. The Appendix to the notice constitutes a part of this notice and must be completed.

ATTENTION

Failure to file notice in the appropriate states will not result in a loss of the federal exemption. Conversely failure to file the appropriate federal notice will not result in a loss of an available state exemption unless such exemption is predicated on the filing of a federal notice.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB control number

EXHIBIT A

In consideration for its services, the General Partner shall receive a management fee ("Management Fee"), payable quarterly and in advance, equal to 0.50% (approximately 2.0% annually) of each Limited Partner's share of the Partnership's Net Worth (determined as of the first day of each fiscal quarter). A pro rata Management Fee will be charged to Limited Partners on any amounts permitted to be invested during any fiscal quarter. No part of the Management Fee will be refunded in the event that a Limited Partner withdraws all or any of the value in the Limited Partner's capital account during a fiscal quarter. The General Partner, in its sole discretion, may waive or reduce the Management Fee with respect to one or more Limited Partners for any period of time, or agree to apply a different Management Fee for that Limited Partner.

The Partnership shall pay or reimburse the General Partner for all expenses related to organizing the Partnership, including but not limited to, legal and accounting fees, printing and mailing expenses and government filing fees (including blue sky filing fees). The Partnership intends to amortize organizational expenses over a period of sixty (60) months from the date the Partnership commences operations because it believes such treatment is more equitable than expensing the entire amount of the Partnership's organizational expenses in the Partnership's first year of operation, as required by U.S. generally accepted accounting principles.

The Partnership shall pay or reimburse the General Partner for (A) all expenses incurred in connection with the ongoing offer and sale of Interests, including but not limited to marketing expenses, printing of the Memorandum and exhibits, documentation of performance and the admission of Limited Partners, (B) all operating expenses of the Partnership such as tax preparation fees, governmental fees and taxes, administrator fees, communications with Limited Partners, and ongoing legal, accounting, auditing, bookkeeping, consulting and other professional fees and expenses, (C) all Partnership trading costs and expenses (e.g. brokerage commissions, margin interest, expenses related to short sales, custodial fees and clearing and settlement charges), and (D) all fees and other expenses incurred in connection with the investigation, prosecution or defense of any claims by or against the Partnership. The General Partner, in its sole discretion, may from time to time pay for any of the foregoing Partnership organizational or operating expenses or waive its right to reimbursement for any such expenses, as well as terminate any such voluntary payment or waiver of reimbursement.

The General Partner will pay its own general operating, administrative and overhead expenses which are part of its day-to-day administration of the Partnership. However, the General Partner may use "soft dollar" commissions or a rebate by brokerage firms of commissions generated by Partnership securities transactions executed through those firms, to pay some or all of such operating, brokerage or research related expenses that the General Partner might otherwise have to bear or that otherwise provide benefits to the General Partner and its affiliates.
